Briefly Explain How Course Qualifies (attach additional documentation supporting request)

Occupations Code Section 1151.1015 requires the Comptroller's office to approve core course curriculum, examinations and continuing education programs for appraisers and tax assessor-collectors. This form must be completed and submitted, with material indicating content, to the Comptroller's Property Tax Assistance Division a minimum of 90 calendar days prior to the date of the educational course. Educational courses refers to (1) courses required for initial classification and/or certification; (2) courses required for reclassification and/or recertification in accordance with TDLR's classification system for property tax professional registrants; or (3) courses of greater than two days in duration for which continuing education credit may be obtained.

Educational courses must deal with one or more of the following qualifying topics (*check all that apply*):

- | | |
|---|---------------------|
| <input type="checkbox"/> Appraisal standards and methodology | _____ CEs requested |
| <input type="checkbox"/> Ethics | _____ CEs requested |
